

Lakewood Soccer Chase the Ace Draw Rules:

Tickets will be sold over a 2 week period.

A ticket is drawn; the winning ticket holder cuts the deck, a standard deck of cards which will be marked specific to this event. If that reveals the Ace of Spades they will win the building pot. If the Ace is not cut, the cut card is removed from the deck and destroyed. The winning ticket holder will receive 20 percent of the ticket sales or consolation prize. The remaining cards are then secured until the next draw and the game starts over (that is, the process of selling tickets and cutting the deck/selecting a card repeats).
